"The Friends of the Crooked Spire"

FRIENDS OF
THE PARISH CHURCH OF
ST MARY & ALL SAINTS,
CHESTERFIELD

(Founded 1942)

Registered Charity No: 1063561

THE CHURCH

The Parish Church of St Mary & All Saints, Chesterfield, is an ancient and iconic building. Parts of the present Church date back to the 13th Century and reflect the prosperity of that time. It was consecrated in 1234 and most of the building work was completed by 1360.

It is of cruciform design, measuring approximately 173ft (53m) long and 110ft (33m) wide across the transept, and has a most graceful interior.

THE SPIRE

The Church's world-famous 'Crooked Spire' dominates the skyline. The spire was constructed in wood between 1380 and 1400, and later covered with lead. Octagonal in plan, it is 228ft (70m) high and leans 9ft 8in (2.9m) from its true centre.

'THE FRIENDS'

The upkeep of this beautiful building is costly and relies heavily upon the generosity of benefactors. 'The Friends' was founded in 1942 to help maintain and refurbish the Church in order to ensure its future, both as a centre of worship and as a place that attracts visitors from near and far to the town.

'The Friends' is a registered charity with the stated objective of promoting "the restoration, maintenance, repair and improvement of the fabric, ornaments, vestments, furniture and furnishings of Chesterfield Parish Church".

In recent years, the work of 'The Friends' has helped fund the specialist cleaning of the East Window, extensive refurbishment of both the West and North West Doors, replacement of Servers' cassocks, new cassocks and hymn books for the choir, and the refurbishment of the Sacristy washroom. Our work continues!
